April 2026

A warm welcome to all of our new members who have joined us over the past few months! Just a quick reminder if you'd like to discuss your dancer's progress at any point, feel free to reach out to Mrs. Harriet. We'll be happy to schedule a time to chat or provide a progress report from their teachers, whatever works best for you. Additionally, private lessons are available throughout the year if you'd like a more personal update on their progress!
